

Entrust Your Life's Memories With Us!

Your Clients matter.

When it comes time to move them, you want a friendly, professional van line that understands the complexities of advance relocation. And you want a van line with people who are experienced experts that recognize the importance of clear, open communication during a move.

When you choose Coast to Coast Moving and Storage, that's what you get. We give you and your clients a single point of contact who will ensure effective communication throughout the entire move – and who will quickly address any concerns that may arise. We've been in this business for almost 10 years, and our clients know they can trust us to move their residents safely, efficiently, and professionally. We hope you'll become one of them and we would love to join your Preferred Van Line.

Protection and Piece of Mind.

We offer excellent valuation and protection plans – from the most basic of which are complimentary, to full replacement valuation plans. If your Clients belongings are damaged or lost, our coverage plans make sure they're protected.

COMPETITIVE PRICING

We're able to offer some of the most competitive prices in the industry while maintaining the feel – and the service – of a family-oriented company.

All your Clients receive FREE Boxes and \$50 off Long Distance Moves.
